Building Tile Order Form

This is a great gift idea for your family or your business, and provides a unique way to support the Museum & Arts Center. The money collected from the sale of building tiles goes to the Capital Campaign to build a new MAC facility in the future.

The cost of the new facility is approximately \$2,000,000. The MAC needs a further \$1,000,000 for an endowment to operate and staff the new facility. Funds donated now can be used to raise matching funds through the Washington State Capital Heritage Funds and other grants from private foundations. The funds you donate today can generate twice as much through grant processes in the future.
